AUCTION CONDITIONS

1. A rod may be shared by up to two people, but no more than this.
2. Fishing is with fly only from 15th September. Before that, spinning will be allowed.
3. Fish may be kept, but not sold.
4. In line with general fishing practice, no refunds will be given if any day's fishing is lost under any circumstance.
5. All bids must be made in **whole** Pounds Sterling and, if successful, payment should be made in Pounds Sterling also. The addition of any pence will invalidate the bid.
6. Successful bidders will pay the Tweed Foundation direct.
7. Payment **must** be received within 14 days of being notified of a successful offer. Payment will be by cheque made payable to *The Tweed Foundation*. If full payment has not been received within two weeks of notification, the sale may be rescinded without any notice being given to the buyer.
8. All successful bidders will be notified in writing within two weeks of the Auction and the bidder will be put in contact with the donor, and/or their appropriate agent or boatman, once payment has been received.
9. Boats and Boatmen are normally provided on a shared basis. Lot 4 has 2 boatmen and Lot 5 has one boatman. The donor will act as one of the boatmen for the day on Lot 8.
10. Whilst the Auction has some Lots which are a beat's full complement of rods for a day, it should be noted that **on most beats** there will be other rods fishing as well as those purchased in the Auction.
11. Fishing may **not** be sub-let.
12. All rods must abide by the Tweed Angling Code.
13. Lots are sold as shown. No negotiations to alter a day bought in the Auction can be entered into with either the Tweed Foundation or the donor. Descriptions listed are purely to give an indication of the beats' potential and are no guarantee of catches or performance.
14. The Tweed Foundation retains the right to refuse a bid, even if that bid is the highest offered for a Lot. Bidders attaching their own caveats to their offer will invalidate that offer.

Tweed Wheelyboats

As part of its remit, The Tweed Foundation provides two Wheelyboats on Tweed for disabled and less-able anglers to use to make their fishing experience more comfortable, more enjoyable, and safer. The boats are provided free of charge with The Foundation only seeking to cover the running costs with donations. In addition, in 2010, a week of fishing is being made available for British servicemen who have been injured during overseas duties. Those beats offering days in the Auction marked "+" have been donated specifically for the fund raised to go towards the Wheelyboats on the River.

The Tweed Foundation is a Charitable Company limited by guarantee set up to protect and enhance fish stocks in the Tweed system and is at the forefront in bringing a more objective scientific and professional approach to the management of freshwater fish stocks. The Tweed Foundation's annual Auction provides a unique opportunity to experience some of the best fishing available on Tweed.

All proceeds from the Auction will go to the Tweed Foundation in support of its work.
